

Safety Data Sheet

Issued: 1/11/2024

Expiry: 1/11/2029

1. Identification

Product Name: Anti Slip Domestic Safety Treatment
Product Use: Floor Safety
UN Number: None Allocated
Hazchem Codes: None Allocated
Dangerous Goods Class: None Allocated
Poisons Schedule: S6
Use: Floor Safety Treatment formulated to increase the co-efficient of friction on hard surfaces.

Viroseal Pty Ltd

A.B.N. 28 133 920 804

2/23 Gardens Drv. Willawong. QLD. 4110

Tel: (07) 3276 1033 Fax: (07)3276 1022

nathan@viroseal.net

Emergency contact Phone No: 0412 081 228

2. Hazardous Identification

Hazardous Substance. Non-dangerous Goods;

A low proportion of the fine dust in the supplied dry product will be respirable crystalline silica. Once wetted, in the wet final set form, risk of any airborne respirable dust will be low, but dry residues, or dust from cutting, grinding, abrading or finishing the set product may contain crystalline silica.

Danger: Causes severe skin burns and eye damage.

Danger: May cause allergy or asthma symptoms or breathing difficulties if inhaled

CAN CAUSE SKIN BURNS AND EYE DAMAGE: Avoid contact with the eyes and skin from both wet and dry cement. Wet cement can be corrosive to the eyes and skin and may cause skin sensitisation (Dermatitis) Safety: Wear suitable protective clothing. Gloves (AS2161), and eye/face protection (AS/NZS13337.1)

3. Composition / Information on Ingredients

Name	CAS No	Content
Coconut oil Diathanolamide	68584.22.6	<10.00%
Sulphonic Acid	68584.22.5	<7.5%
Alcohol	64.17.5	>2.5%
Sodium Laurel Ether Sulphate		<2.0%
Hydroxyethyl Cellulose	9004.55.3	<0.002%
Flouride Salts	1341.49.7	<1.5%
Water	7732.18.5	Up to 100%

4. First Aid Measures

Ingestion

If swallowed contact doctor or poisons information centre Do not induce vomiting.
Give glass of water.

Inhalation

No harm if inhaled

Skin Contact

May cause irritation if product comes into contact with skin
Wash off with soapy water immediately

Eye contact

May cause eye irritation
If enters eyes, flush with large amounts of water immediately

5. Firefighting Measures

Product is non-flammable

6. Accidental Release Measures

Personal Precautions

Use with care
Wash off skin immediately

Environmental Precautions

For small spills - If spilt, clean immediately with mop and bucket. Wash with plenty of water
For Large Spills - Contain spilt material with sands. Isolate leaking containers and transfer remaining material to alternate containers where practical, transfer spilt material and contaminated sand to suitable containers for disposal. Wash area thoroughly with water. Clearly label all containers used.

7. Handling and Storage

Conditions for Safe Storage.

Contain in original container with product information showing clearly.

8. Exposure Controls / Personal Protection

Exposure standards

No exposure standard allocated

Engineering Controls

No special controls

Personal Protective Equipment

Eye and face protection

Safety glasses advised if splash risk is present

Skin protection

Safe on skin, for prolonged exposure use plastic or rubber gloves

Body protection Safe on skin.

Respiratory protection

No Inhalation risk

9. Physical and Chemical Properties

General Information:

Appearance	Translucent lemon-coloured low viscosity liquid
Boiling Point	100 degrees C
Vapour Pressure	Not relevant
Specific Gravity	1.12
Solubility in water	1000g/L
Flashpoint	Does not burn
Upper Flammability limit	Does not burn
Lower Flammability limit	Does not burn

10. Stability and reactivity

Reactivity

Nil

Chemical Stability

Chemical

Possibility of Hazardous reactions

Nil

Conditions to avoid

Nil

Incompatible Materials

Nil

11. Toxicological Information

Information on Toxicological effects Acute effects

Eye contact

Flush with large amount of water, if irritation persists seek medical assistance

Skin Contact

Wash off with clean water, if irritation persists seek medical assistance

Ingestion

Do not induce vomiting, give plenty of water to drink, contact doctor or poisons information centre

Inhalation

Not irritating if inhaled

Chronic

Not applicable

Toxicity

Not applicable

12. Ecological Information

Ecotoxicity

Nil

Persistence and degradability

Nil

Bioaccumulative potential

Nil

Other adverse effects

Nil

13. Disposal Considerations

Safe Disposal at refuse centre

14. Transport Information

Product is not classed as a dangerous goods according to ADG code

15. Regulatory Information

Nil

16. Other Information
